

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HJR 253

April 2, 2009

SUMMARY OF BILL: Urges the Department of Environment and Conservation (TDEC) to study the feasibility of developing more trails for horseback riding on portions of Fall Creek Falls State park and South Cumberland State Park that are not designated state natural areas.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures – Not Significant

Assumptions:

- The fiscal impact assumes that the action urged by this bill will be implemented and reflects the cost of implementation.
- Any increase in state expenditures to implement the study required by the bill is estimated to be not significant and can be done utilizing existing departmental resources without an increased appropriation or reduced reversion.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in cursive script, reading "James W. White".

James W. White, Executive Director
